

JENKS IS IN PROVEN OIL TERRITORY Look at This Map

This map is the very latest news from the now famous Perryman Pool---Note that proven production is now on every side of the town-site. : : : : : : : :

14 NEW LOCATIONS WERE MADE THIS WEEK

They range right along the north border of the townsite but are not shown on the map because the rigs were not up when the map was turned over to the artists. This week the Perryman Pool will make more men rich and more rich men richer. If you know anything of oil country history, you will realize that.

This Is the Small Investor's Chance

What Would You Give for a Few Feet of Land in the Heart of the Glenn Pool? Well, this is just such an opportunity; except that you don't have to pay \$10.000 and up, but may buy a lot for from---

Residence Lots Average \$60.00

Business Lots About \$200.00

Subject to Raise
Without Notice

\$50 TO \$200

Buy Now Before a
Higher Price is Fixed

The opportunity to buy Glenn Pool property for little money is history. The chance to profit by such history is afforded today. Will you be one of the "LUCKY" ones, or will you sit back and let the other fellow profit? A big portion of this property is already gone. This week will probably see its close. Act at once---Investigate.
